

Banking and budgeting basics worksheet

Nia's birthday

Nia is Samir's friend and she has £40 to spend during the summer holidays. She has thought about some different items she would like to spend her money on. Pick five things you think Nia could buy with her money.

	Cinema ticket	£7		Trainers	£20
	T-shirt	£15		Drinks and snacks	£10
	Book	£5		Toy	£15
	Gaming app	£5		Football	£5

Making a budget

Add your five items and the cost for each. Calculate the total Nia will have spent and work out what is left over from the £40.

Item	Cost
